

AGROSMARTglobal
TRANSNATIONAL FORUM AND REGIONAL SEMINAR
In BORDEAUX, France
21st -22nd -23rd June 2022

*Within the framework of the European project AGROSMARTglobal, the **transnational forum and the regional seminar** from 21st to 23rd of June 2022 in Bordeaux are organized by La Coopération Agricole Nouvelle-Aquitaine and The Chamber of Commerce and Industry of Limoges Haute-Vienne.*

These events are made for partners, cooperatives and agri-food companies participating or interested in the AGROSMARTglobal project.

Bordeaux Fête le Vin will take place at the same time. An event that offers a cultural, festive, tourist, oenological, economic and scientific program in various forms. That enhances the richness of the terroirs of the wine world and the environmental approaches undertaken by the vineyards of France and elsewhere.
