CARBON FARMING: A KEY CONTRIBUTION TO

CARBON NEUTRALITY AND FOOD SECURITY

INNOVATIVE EXPERIENCES OF THE EMILIA-ROMAGNA REGION IN THE FRAMEWORK OF THE EC REGULATION PROPOSAL

> 31ST MARCH 2023 | 9.00-12.00 EMILIA-ROMAGNA REGION - DELEGATION TO THE EU RUE MONTOYER, 21 - BRUSSELS

AGENDA

I.

09:00 - 9:15	Welcome coffee & registration
09:15 - 09:30	Welcome address Lorenza Badiello, Head of Emilia-Romagna Delegation to the EU
	<mark>Opening speech</mark> Alessio Mammi, Emilia-Romagna Regional Minister for Agriculture
	Moderator: Patrizia Alberti , Head of Innovation, Training and Consulting Area - DG Agriculture Emilia-Romagna Region
09:30 - 09:50	The proposal for a regulation establishing a Union certification framework for carbon removals Chiara Micelli, European Commission – DG Clima C.3
09:50 - 10.35	Round table: Innovative experiences of carbon farming in Emilia-Romagna within the EIP-AGRI operational
	 groups Andrea Fiorini, Innovation for Sustainable Agriculture (ISA): The performance of agricultural practices for
	 carbon sequestration Maria Teresa Pacchioli, Centro Ricerche Produzioni Animali (CRPA): The nexus between animal production and soil management in the experience of Operational Groups
	 Maria Grazia Tommasini, Ri.Nova: Experiences in Emilia-Romagna to improve the carbon footprint of plant production through Operational Groups
10:35 - 10:55	EIP Operational Groups, AKIS and EU CAP Network within CAP 2023-2027 Klavdija Ramsak-Noemi, European Commission – DG AGRI D.1
10:55 - 11:40	Round table: Soil carbon monitoring projects and regional support measures to increase organic matter
	• Andrea Ferrarini, Catholic University of Piacenza: Soil carbon credits accounting in agricultural soils: approaches and technologies in Farms4Climate and ClieNFarms projects
	 Antonio Volta, ARPAE, Climate Observatory: A voluntary carbon market in agriculture: results of the Interreg GECO2 project
	 Giampaolo Sarno, Emilia-Romagna Region, DG Agriculture: Monitoring and Rural Development measures for soil carbon
11:40 - 12:00	The contribution of CAP strategic plans to carbon farming Gaelle Marion, European Commission, Head of unit - DG AGRI B.2
12:00 - 12:30	Networking lunch
